

COMPANY OVERVIEW

Mars Professional Cleaning Services is a janitorial company that aims to deliver high-quality cleaning solutions, utilizing trained and experienced staff, state-of-the art equipment, and eco-friendly cleaning products. Our focus is on exceeding client expectations and creating a clean and inviting atmosphere for their premises.

Please reach out for more information on our services or federal contracting abilities.

CORE COMPETENCIES

General Cleaning: Our company specializes in routine cleaning services for commercial spaces, including offices, retail stores, educational institutions, and healthcare facilities. This includes dusting, vacuuming, mopping, and sanitizing surfaces to maintain a clean and healthy environment.

Window Washing: Our team is skilled in cleaning windows of various sizes and heights, both interior and exterior. We utilize professional equipment and techniques to achieve streak-free and crystal-clear results.

Strip & Waxing: Our company offers floor maintenance services, including stripping and refinishing hard floors. This process involves removing old wax, deep cleaning the surface, and applying multiple layers of fresh wax to restore the shine and protect the flooring.

Carpet Cleaning: We provide deep cleaning services for carpets, utilizing industry-standard equipment and techniques. This includes steam cleaning, hot water extraction, and stain removal to revive and refresh the appearance of carpets while maintaining hygiene.

Specialized Services: In addition to the core services mentioned above, our janitorial company offers a range of specialized cleaning services. This may include upholstery cleaning, tile and grout cleaning, pressure washing, post-construction cleanup, and more. We tailor our services to meet the unique needs of each client.
